**INFORMATION DISCLOSURE STATEMENT**

Sir:

In compliance with the duty of disclosure set forth in 37 C.F.R. 1.56, Applicants are filing this Information Disclosure Statement and the accompanying form PTO-1449 with copies of the foreign prior art therein identified along with English-language translations from the European Patent Office. The four identified non-U.S. patent references and U.S. Patent 4,101,899 are identified in an EPO search report (dated October 31, 2006), copy enclosed, in a corresponding European application. Since two of the cited non-U.S. patent references have corresponding published U.S. patent applications, such published U.S. patent applications are also identified on the accompanying form PTO-1449.

Since this application has not yet been examined, no fee is believed due.

Respectfully submitted,
